CALL FOR VOLUNTEERS

Please indicate your interest in serving on any of the following committees. When there is a committee opening, first consideration is given to those who have sent in this form. We will do our best to accommodate your interests. Keep in mind that the Association must consider both geographic and member type representation on each committee when selecting volunteers.

All volunteers must be FSAC members in good standing. Please review the committee Terms of Reference (TORs) available at www.fsac.ca/Committees for more information regarding each committee.

*New Committee – TORs still under development
